Offering Group and Individual Counseling and Support  
for Adults Grieving a Loss

## **Bereavement Group Member Agreement**

Please read over the following terms regarding payment for group membership and sign this page in the space provided below.

- Full payment for the group series is requested at the first session: \$240 for a six-week group or \$400 for a ten-week group.
- If paying in full is a hardship then half the fee is due on the first session and the rest is due on either session #3 for the six-week group or session #5 for the ten-week group.
- Payment by credit card can be made online via PayPal.
- If you decide you do not want to continue with the group after attending one session, payment of \$40 is expected for that session. (However, it is important to emphasize that the first session should **not** be considered a 'trial' session.)
- After the first session there will be no refunds.
- Payment for the entire series is expected even if a session or sessions are missed.
- Group members are responsible for paying any portion of the fee not covered by insurance.
